

Central Christian Church Small Group Agreement

Purpose of Group

Our Small Group exists to develop a community of fully devoted Christ-followers who love one another and serve God.

Expectations for all Group Members

Attendance - Our Small Group expects it to be a priority for all members to attend regularly scheduled group meetings and to call if they cannot attend. We also expect that every effort will be made to arrive on time.

Relationship - We expect the members of our group to spend time together to build relationships outside of regularly scheduled group meetings.

Authenticity - Our Small Group expects all group members to be open, honest, and willing to participate in group discussions.

Confidentiality - We expect all discussions will be kept confidential by group members.

Availability - We expect group members to be available to one another in time of need. Group members have permission to call one another for spiritual, physical, or emotional help and support...even at inconvenient times.

Accountability - Our Small Group expects group members to hold one another accountable for spiritual growth and goals that individuals have set for themselves and have shared with the group.
